WHO WE'VE WORKED WITH

WHO WE ARE

Professional party people

Justin Rushmore, founder of The Bug Club has over 35 years experience in the events industry. An award winning record label owner, international DJ and promoter.

The Bug Club, previously known as 'The Bugbar' based in Sussex was set up in 2013, inspired by the love of VW camper vans, festivals, quality drinks and of course the very best music!

Our mission has always been to deliver high quality brand activations, outstanding DJs and bar services to create that festival feeling. We aim to spread joy and create lasting memories for all our clients whilst delivering our events as sustainably as possible.
